

Can you apply the laws of science to the science of laws?

A new California Fellowship opportunity!

The California Council on Science and Technology seeks PhD scientists and engineers to serve as Fellows to provide the California State Legislature with critical, unbiased scientific and technical advice. If you are looking for a professional development opportunity that enables you to incorporate science and technology into public policy, we encourage you to apply for a one-year fellowship.

Applications for the 2009-2010 program will be accepted from March 25th until noon PDT on May 29th, 2009. For information or application materials, visit fellows.ccst.us.
