

# Northeast Regional Environmental Acoustics Seminar Series 2019

Hosted by Brown University and the University of New Hampshire

## 19 February 2019 (12:00-13:00)

*Marine mammal monitoring on Navy ranges*

**Dr. Stephanie Watwood**

NUWC Newport, Environmental Branch

Join URL: <https://unh.zoom.us/j/826089073>

## 12 March 2019 (12:00-13:00)

*Use of non-conventional signal representations for improving performance in a CNN-based bird call classifier*

**Dr. Shyam Madhusudhana**

Postdoctoral Fellow

Cornell Lab of Ornithology

*PAM and the Toadfish: an ecosystem based management love story*

**Dr. Michelle Fournet**

Postdoctoral Fellow

Cornell Lab of Ornithology

Join URL: <https://unh.zoom.us/j/858203339>

## 16 April 2019 (12:00-13:00)

*Foliage echoes and the acoustic environment of bat biosonar*

**Dr. Rolf Müller**

Professor

Virginia Tech

*Analysis of bat echoes in the context of man-made SONAR*

**Dr. Michael Roan**

Professor

Virginia Tech

Join URL: <https://unh.zoom.us/j/136498509>

## 29 May 2019

**Northeast Regional Environmental Acoustics Symposium**

Brown University

Keynote Speaker: Holger Klinck, Cornell University
