July Only! ● Hurry! ● Don't Miss Out!

<p><b>Birds of Rottnest Island</b> The handsomely presented paperback describes bird habitats and their avian inhabitants on Rottnest Island, a popular tourist resort situated 18km off the coast of Fremantle in Western Australia. \$5.00 (50% discount)</p>	<p><b>Grassland Flora: A Field Guide for the Southern Tablelands</b> Explore the world of our grassland heritage with this easy to use field guide to the grassland plants of the Southern Tablelands of NSW and the ACT. A straight-forward text, attractive layout and over 300 full colour photographs make Grassland Flora an indispensable identification aid to both naturalist and land manager. Grassland Flora should be in every glove box and backpack. \$11.00 (15% discount)</p>
<p><b>The Nestbox Book</b> Although nest boxes cannot replace the millions of tree hollows that have been lost, they can be of great benefit to wildlife in areas of human habitation, where hollows are extremely rare. \$5.00 (50% discount)</p>	<p><b>The NSW Bird Atlassers List of the Birds of NSW (including Lord Howe Island) and the ACT</b> \$4.00 (50% discount) <b>Bird Tales: A Collection</b> \$2.00 (massive 75% discount – 1 only) <b>Field Guide to the Native Trees of the ACT</b> \$13.00 (40% discount)</p>
<p><b>Our Patch: Field Guide to the Flora of the ACT as Photographed in the Aranda Bushland</b> \$7.50 (40% discount)</p>	<p><b>Spix's Macaw: The Race to Save the World's Rarest Bird</b> "The Spix's Macaw, if it survived and recovered, could inspire the world to see what was possible through cooperation and determined efforts to save the earth's natural riches." \$9.00 (40% discount)</p>
<p><b>CSIRO List of Australian Vertebrates: A Reference with Conservation Status</b> \$33.00 (40% discount)</p>	<p><b>Birds of the ACT: Two Centuries of Change</b> \$15.00 (40% discount) <b>The Long Paddock: A Directory of Travelling Stock Routes and Reserves in NSW</b> \$19.00 (40% discount)</p>
<p>• <b>Kookaburra: King of the Bush</b> • <b>Wedge-tailed Eagle</b> • <b>Australian Magpie: Biology &amp; Behaviour</b> \$17.00 ea. (40% discount)</p>	<p><b>Woodlands: A Disappearing Landscape</b> Australia's little-known woodlands once covered huge areas of the eastern side of our continent. This book explains with lucid text and spectacular photographs the role that woodlands play in supporting a range of native plants and animals that have existed for millions of years. \$25.00 (25% discount)</p>
